Preliminary UG & PGT Research Ethics Checklist

(Last updated 2018-10-23)

*This form is required for **all UG and Taught MSc dissertation projects** to confirm whether the proposed work requires ethical review.*

SECTION I. Applicant Details

1. Name	Reece Cripps
2. Status	Postgraduate Taught Student
3. Email address	Psxrc6@nottingham.ac.uk

SECTION II. Module Details

4. Module name/number or MA/MSc/MPhil course and department	MSc Projects COMP4026
5. Supervisor's name	Colin Johnson
6. Supervisor's email address	colin.johnson@nottingham.ac.uk

SECTION III. Project Details

Project title	The comparison between machine learning strategies and mathematical strategies for a trading bot on the cryptocurrency market
Proposed start date	13/06/2022

Please answer each question by ticking the appropriate box:

	Yes	No
1. Does the study involve human participants?		<input checked="" type="checkbox"/>
2. Does the study involve personal data, and/or include the processing of data in the public domain in such a way as to invade the privacy of the individuals concerned? (see CS Intranet/Workspace for guidance on what constitutes personal data.)		<input checked="" type="checkbox"/>
3. Does the study involve the use of animals or biological materials?		<input checked="" type="checkbox"/>

Complete whichever of the following applies:

If the answer to all questions in Section III is **NO** and therefore ethical review is **not** required: ☐

I confirm that (i) the information provided is an accurate description of the proposed project,
(ii) I understand that I do **not** need to submit a full ethics application and
(iii) if my project changes such that ethical review is required then I will submit a revised form.

Signature of Applicant: REECE CRIPPS Date: 13/06/22

OR

If the answer to at least one question in Section III is **YES** and therefore ethical review **is** required: ☐

I confirm that (i) the information provided is an accurate description of the proposed project,
(ii) I will submit a full ethics application including a **UG & PGT Research Ethics Checklist** (available from the [CS Intranet/Workspace](#)) and
(iii) I will not start any work requiring ethical approval until the **full** ethics application has been approved.

Signature of Applicant: Date:.....
